IN THE MATTER OF THE APPLICATION
OF VAIL WATER COMPANY FOR A RATE
INCREASE

DOCKET NO. W-01651B-99-0406

At the procedural conference dated February 17, 2012, the parties discussed the need for the issuance of a Recommended Opinion and Order ("ROO") on the issues of the first phase of the hearing in this matter. After further discussions with Commission Staff, Vail Water Company believes that it would be most efficient to wait until the conclusion of the parties' discussions regarding a resolution of this matter prior to the issuance of any ROO. Accordingly, Vail Water Company respectfully requests that the Administrative Law Judge not issue a ROO on the issues of the first phase of the hearing until those discussions have come to a conclusion. As noted above, Vail Water Company has discussed this issue with Commission Staff, and it has been authorized to indicate that Commission Staff concurs.

Respectfully submitted this 29th day of February, 2012.
